SimPlant Group Planning with Dr Ashok Sethi

This course will be an interactive Group Planning Session chaired by Dr. Ashok Sethi BDS, DGDP(UK), MGDSRCS(Eng), DUI(Lille), FFGDP(UK). Using the market leading implant planning package **SimPlant** Dr Sethi will review a number of challenging cases from his own clinical practice and will provide guidance in planning selected CT scans submitted by the course delegates themselves.

To get the full benefit from this course, we recommend bringing your laptop with SimPlant installed and submitting a SimPlant CT scan at least one week in advance for treatment planning on the day.
